**Important**  
Dogs owned by Dutch residents can only be entered for the KCM if the dog is registered in the NHSB. If not, the dog will be entered in the "Fun Class".  
Dogs owned by foreign exhibitors can be entered if they have a pedigree, regardless of the country of issue.

I do not wish to have my details published in the catalogue  
By entering, you agree to the possible use of photographs.

After receipt of your (online) registration form, you will receive the necessary information and invoice as soon as possible.  
If registering multiple dogs, you will receive one detailed invoice listing all registered dogs separately.

\*The "Fun Class" will be judged after the Best of Breed competition. Entered dogs will receive a written critique and will be placed. If there are sufficient entries, males and females will be judged separately.
